Premiums

We have obtained agreement from all insurers with whom our business is placed, that insurance premiums held by us will be insurer monies, and not client monies. This arrangement is known as "risk transfer". This agency agreement is in respect of all premiums received from you, all refunds of premiums due to you, as well as claim payments due to you. This means that once your premium has been paid to us it is deemed to have been paid to the insurer.

We will deduct any commission entitlements before paying premiums to insurers.

Copies of documentation

You should keep a record of all information supplied to us for this insurance.

Disclosure of Material Facts

Insurers must be kept informed of all material facts which change or arise after the insurance is first taken out and /or last renewed.

This is important because if such facts are not disclosed your insurance cover may not protect you in the event of a claim.

Material Facts are those which are likely to influence an insurer in the assessment or acceptance of a risk and it is essential that you disclose them. If you are in doubt whether a fact is material, you should disclose it, since failure to do so could invalidate your policy.

Confidentiality

Under the Act you have the right to see personal information we hold about you on your records. We will charge you a fee of £10 for supplying this information. Information supplied to us may be held on computer and passed to other insurers for claims purposes. Insurers pass information to the Claims and Underwriting Exchange (CUE) database operated by Insurance Database Services Ltd. The aim is to help them check information provided and also to prevent fraudulent claims. When you tell us about an incident (such as fire, water damage or theft) which may or may not give rise to a claim, the insurers will send information relating to it to the database. It is a condition of your Policy that you agree to this information being passed to the Insurance Database Services Ltd who may pass to your insurer, information that has been received from other Insurers involving anyone insured under the policy.
